*Cosa Obra celebrates the artistic nature of winemaking by focusing on small vineyard parcels and blending the resulting lots to create wines of seduction, power and grace.*

## Our Story

We believe that high quality boutique wines require a hand-crafted approach, and a team of artisans with a taste for the exceptional. With over three decades of experience in the wine industry, and a passion for crafting wines that have a unique story. Our winemaking approach is simple; exceptional wine from carefully selected artisan vineyards that express Sonoma Coast's unique character. Through these efforts COSA OBRA produces delicious Sauvignon Blanc, Pinot Noir, Chardonnay, Rosé, and a Proprietary Red Blend crafted from small local growers.

The name COSA OBRA is comprised of two words:

COSA meaning *"thing"* and  
OBRA meaning *"a hand-crafted body of work"*

So we say: *"This is our thing, this is what we do, our hand-crafted body of work"*

Since 2008 the vineyards we've worked with include:
