## 2022 Sauvignon Blanc

### Tasting Notes

Sauvignon Blanc is becoming more popular every year, and ours tends to sell out appropriately. This vintage offers enticing aromas of white peach, guava, passionfruit, and orange blossom complemented by bright citrus, lemon curd and zest. Exotic tropical flavors of kiwi, pineapple, lemon, mango and papaya reveal a rich palate all wrapped in a surprisingly layered and satisfying mouthfeel.

Great depth of flavor while remaining wonderfully balanced. We enjoy it year-around especially in the warmer months. It shines within just about any menu it's paired with. Also remarkable to indulge solo by the glass!

### Winemaking

Grapes were picked in the cool early morning hours, and immediately to press the delicate fruit and chilled to preserve freshness. The juice is immediately inoculated with yeast and nutrients to complete primary fermentation in tank, with the addition of neutral French Oak barrels to add complexity.
